CLIMATE CHANGE

Just for the record, the purpose of this little book isn't primarily to agree or disagree with climate science. This writer also appreciates all sincere efforts to make our planet a safer place to live. I also support the development of safe and renewable sources of energy, such as wind, water, and solar power, plus sound.

St. Elizabeth of Hungary Catholic Church

could? Had little sins weaseled their way into my regular routine? Was I offering God enough time for prayer? Was I allowing sacrifice to play a role in my life? The results of these gentle realizations? I started to live more like Jesus. And that's how I knew that these times of dry desire were not absent of God, but rather FULL of the Holy.

Syracuse University Policy Brief

Lourie Lecture Policy Brief 2 States is that the pooling mechanism doesn't work for individuals who can't get workplace insurance. About two-thirds of the uninsured don't get offered insurance at work, so they have to go to the non-group market, which is a harsh, unforgiving place to try to buy health insurance.
